MEMORANDUM FOR THE RECORD

SUBJECT: Director's Conversation with Senator Stennis (D., Miss.)
Re Upcoming Briefings

The Director told me today of his conversation yesterday afternoon with Senator Stennis during which the Senator said he would like an early briefing on the Agency budget for his CIA Subcommittee (without the "invitees" from the Foreign Relations Committee). He also indicated he would like an updated "threat" briefing for the full Armed Services Committee. He indicated that the interest in this briefing arose from some points brought out in a recent briefing by the Defense Department on the U. S. ULMS project.
